

Apache Portability
Runtime library

Ring Macro Implementations

```
graph RL; A[Ring Macro Implementations] --> B[Apache Portability Runtime library]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'Apache Portability Runtime library'. The box on the right is light gray with a black border and contains the text 'Ring Macro Implementations'. A black arrow points from the right box to the left box, indicating a relationship or dependency from the Ring Macro Implementations to the Apache Portability Runtime library.
