

A diagram consisting of two rectangular boxes. The bottom box is white with a black border and contains the file path: /usr/local/src/github /Codebase/httpd-2.4.29 /server/mpm/worker/worker.c. A blue arrow points upwards from the bottom box to the top box. The top box is gray with a black border and contains the transformed file path: /usr/local/src/github /Codebase/httpd-2.4.29 /server/mpm/worker/mpm _default.h.

```
/usr/local/src/github  
/Codebase/httpd-2.4.29  
/server/mpm/worker/mpm  
_default.h
```

```
/usr/local/src/github  
/Codebase/httpd-2.4.29  
/server/mpm/worker/worker.c
```
