

pcrecpp::Scanner::LineNumber

```
graph LR; A[pcrecpp::Scanner::LineNumber] --> B[pcrecpp::StringPiece::data]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'pcrecpp::Scanner::LineNumber'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'pcrecpp::StringPiece' on the top line and '::data' on the bottom line.
