

ensure_fake_update

```
graph LR; A[ensure_fake_update] --> B[external_spawn]; B --> C[waitpid];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'ensure_fake_update'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'external_spawn'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'waitpid'.

external_spawn

waitpid
