The diagram consists of two rectangular boxes. The top box is white with a thin black border and contains the word "unsigned". The bottom box is gray with a thin black border and contains the word "features". A vertical dashed purple line connects the bottom of the "features" box to the bottom of the "unsigned" box. To the right of this dashed line, the following text is listed vertically: "inv_headers", "change_prio", "sha256", and "dyn_windows". A solid purple arrowhead points upwards from the dashed line towards the "unsigned" box.
