

Threads and Process
Functions

Other Child Flags

```
graph LR; A[Other Child Flags] --> B[Threads and Process Functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Threads and Process Functions' on two lines. The box on the right is gray with a black border and contains the text 'Other Child Flags' on one line. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from 'Other Child Flags' to 'Threads and Process Functions'.
